Beloved Children of the One Father:

Radiation is a marvelous subject for contemplation. Every manifest expression in the entire universe, from the smallest molecule to the Great Central Sun Itself, is a radiating center of one kind of vibration or another. When you stand near a heat radiator in winter, you feel the heat, although your physical sight, as a rule, does not see the substance that makes up the heat waves. You have felt the light and warmth from the physical sun in Summer and have enjoyed the fragrance of flowers as well as the pleasing aromas that radiate from the food being prepared in the kitchen. All this is an activity of radiation.

All people radiate constantly, and the substance that is emitted from their various bodies affects all other people everywhere on the planet. We are endeavoring now to bring every man, woman and child to a place where the radiation from their bodies is harmonious, restful and peaceful so that their lifestreams, when they are in contact with one another, are uplifted, balanced and enriched.

If you will remember that what passes from your body in thought, spoken word or feeling affects all parts of life on the planet - men, women, children, animals, plants and vegetables either for good or evil, you will, I know, endeavor to express and expand only that radiation

which is as comforting and which is as healing as the light from the sun.

The planet, as you know, is passing through a very dangerous and chaotic period, and if We could depend on your outer selves to hold a certain harmony, We could use you without limit in delivering this beautiful Earth from destructive activities and expressions.

From the Heart of the Presence of each one of you, beloved ones, comes a stream of Electronic Light which finds anchorage within your physical heart and forms there a pulsation of Flame which has been referred to as the Threefold Flame of God.

From that Flame within your heart there passes through all your bodies the electronic energy by which you live. That energy is the God Power that governs the universe and that animates all living manifest form. Within that energy which flows from the Heart of your Presence is the Power of Life Eternal and the only Healing Force in the universe. There passes through your bodies every second enough of this electronic force from God's Heart to heal and completely free you and all mankind from every manifestation and expression of distress. You must, beloved children, like the rest of mankind, learn the power that is within your own life. When that power is allowed to unfold, it will manifest through you in the fulfillment of your every heart's desire, and you will find yourself to be a perfect expression of the Godhead.

Blessings and Love,

MAHA CHOHAN
